Feedback and notes from The lantern Parade

Several people had feedback or reported feedback from the event.

- Somehow we managed to lose Nerys Reece's lantern. It must have been given to the wrong person.

- Candles must be pre-lit to prove the wick./ might even light at the construction stage
- Need heavier candles
- Suggested that we join the two marquees next year
- Ifton Heath School suggest we limit the age group next year. Encourage the youngest to come to The Centre, with parental help.
- Camilla's saucepan is yet to be returned.
- The bucket collection raised £21, this might have been more but some people left after the cloudburst.

The next meeting is at The Red Lion on Thursday 1st December 7 for 7.30pm
