Apologies: Claire Ford, Alex Olah, Camilla Olah,

Circulation to above: and Hilary, Dave & Joan Hayes, Heather Lloyd, Nicola Bradley, Shaun Burkey, Harvey Morgan, Steve Davenport, Sid Davies and Gareth Utting

Minutes of previous meeting: The minutes were accepted.

### Risk Assessment

The risk assessment for: Use of Strimmers and Clearing saws was signed by Neil, Bryan and Alex for return to Harvey. RA attached.

The previous risk assessment for strimmer only is now cancelled.

### Green Gym

The debris from the recent ragwort pulls need to be removed. There is also a big bag which needs to be removed from north of Pen-y-banc.

Elizabeth raised the loss of teasel from the lower meadow as a result of the grass cutting. It was suggested that we re-seed around the perimeter using seed from south of the path.

It was noted that the Ron Jones seat has been re-set and that the skylark signs are now all in place.

### Summer Fayre

Ann reported that it went well but there was less interest than previous years. Bryan's roll a penny, The raffle and the Bran Tub all went well and Miner's CD's sales were encouraging.

### Lantern Parade Preps.

The issue of PVA as a latex replacement for use at the school is not yet resolved. Colin to follow up.

Neil is making arrangements for CRB checks, some of which will be free.

The parish Council has granted £1,000 toward the costs of the event.

### Marquee panels.

Ann has taken delivery of another set of replacement panels for the damaged marquee.

### W.I. Walk

Ann reported that the walks went well with 42 guest plus our own stewards. An e-mail registering their thanks has been received.

It was noted that a Red Kite was sighted by Ann's party.

## New Flora

Elizabeth also registered a first sighting, on the meadows , of a mauve flower. We are trying to identify it.

## Boundary Issue

Awaiting further feedback from Harvey, particularly with regard to Neil's point about rights being acquired.

## Community Council Report on Local leisure facilities.

This is expected shortly.

## Carved seat for viewpoint.

This has been offered by the Summer Fayre. This was discussed and it was agreed that the more simple the seat construction ,the less chance of damage.
