# Parish Council

## FROM THE CHAIR

It's always going to be a "Parish Council quiet news period" when we have an early Easter and so close to the January magazine distribution. In many cases, your Parish Council is directed and driven by matters from Shropshire Council and the new year period tends to be a void with Shropshire officers using up weeks of outstanding annual leave and everything grinding to a halt. I do have severe worries that the seeming lack of County officers will be negatively impacted into the future by the current financial state of Shropshire and the suggestions that jobs will be cut, leading to even more restricted communications and action.

I, alongside my fellow Councillors were 'amazed' (I hope that is the most polite word to use) at the design of the recently modified roundabout by Stan's. Within 3 days of its completion, I sent a letter to Shropshire asking for clarification as to the design, process and approval and which included screenshots of the chaos encountered by traffic together with a plan of what could be easily achieved to remedy the matter. That letter was dated 7th February. It remains unanswered (please refer to my opening paragraph). Please be assured that we will continue to press Shropshire Council for a response.

As of writing this brief introduction, I see that daffodils have been popping their heads through the grass and which fills us with joy as a definite sign that Winter has passed and Spring is just around the corner. My own garden on Ellesmere Road has seen an abundance of Crocus, Grape Hyacinths, Primulas etc, and buds appearing on Apple, Pear and Plum trees - probably a little too early for comfort. Let's hope that snow or frost doesn't interfere with nature and its full beauty.

My final word is to give our combined thanks to Glenn Pennington who recently retired from our Parish Council. Glenn, you have been a true and loyal supporter of the Council and our village across many years and everyone owes you an enormous debt of gratitude. The void you have left will be difficult to fill.

George Smith MBE  
Chairman: St Martins Parish Council

### Current Parish Councillors

Sue Schofield	01691 777710
George Smith	01691 770286
Helen Williams	01691 777561

# **Report from St Martins Parish Council Clerk**

The last meeting of St Martins Parish Council was held in St Martins Village Hall on Thursday 8<sup>th</sup> February 2024.

Unfortunately, we have still not received a report from the Head of the School following the Parish Council's concerns raised at their January meeting over parking issues by the school. Firstly, there seems to be an increase of parents at the start and end of the school day now parking on the grass verges depositing mud on the road when leaving and damaging the grass verges. Secondly, there seems to be an increase during the day of visitors coming into school and parking on the road adjacent to the school when there are adequate spaces in the school main car park. The Head of the school had been notified of these concerns and asked if she could investigate these issues and advise what steps, if possible, can be taken to resolve these issues.

The Parish Council precept for the coming financial year has again been set with a zero percent increase. This follows many years since the parish council requested an increase. An additional cost centre has now been included under the heading of St Martins Amenities Fund. This will be financed through accumulated bank interest following balances being invested in a high interest account. This will go towards extra grass cutting on grass verges, amenity areas and play areas following two years of very poor performance from Shropshire Council's preferred contractor KIER. In addition damaged street nameplates will be replaced under this fund.

We continue to forward any areas of concern to Helen Morgan MP. She had responded to our concerns over the flooding at Escob Bridge, and as a result, firm dates had been set by Shropshire Council Highways to resolve the flooding and pothole issues in this area. Cllr Vivienne Fisher reported that Helen had secured free parking at Shrewsbury and Telford Hospitals for our volunteer drivers when attending hospital appointments.

Edward Davies,  
St Martins Parish Clerk

# Shropshire Council

**Councillor Steve Davenport**

County Councillor for St Martins, Dudleston, Dudleston Heath,

Mobile 07944097876 Email [steve.davenport@shropshire.gov.uk](mailto:steve.davenport@shropshire.gov.uk)

Hello

It's certainly been a testing time trying to balance the books at Shropshire Council, the pressure comes from Adult social Care and Children's Social Care, it's a sad fact more and more children are being taken into care, for whatever reason. As always I will continue to negotiate as much funding as I can for the villages I will represent - and the area I do represent is growing for me.

In the next 12 months my area will incorporate Welsh Frankton, Tetchill and Lee. Already this takes many hours a week, but I will base myself in the St Martins Village Hall as normal.

We are always looking for volunteers to help out, either on the desk or at events like the coffee and chat mornings on a Tuesday. And just to remind everyone that this hall is run by volunteers not the Council.

Issues around the village:

Stans roundabout; well I'm not too happy with the results, but having spoken to some of our large lorry companies within the village they say it's much better.

Hopefully the rain will stop soon, the recent weeks have played havoc with our roads. Our local maintenance team have started to repair the defects and you may have noticed that the spring on Escob bridge is at the moment being repaired, or should I say being diverted.

There are still ongoing parking problems at the school, hopefully soon the road will be lined following which there can be enforcement of any parking restrictions.

Finally, I'd like to say thank you to the team at Village Life; what a great job you do.

---

## DAWN

February arrives quietly, and across St. Martins the hearts of gardeners stir with the russet sky's promise of a bright dawn and the endless possibilities of their endeavours in the warming soil after an early frost.

The thoughts of an annual show encourages them to consider their plots and plan their prize-winning produce.

The Flower and Vegetable Show Committee is stirring into life and would welcome confirmation that we have a potential treasurer.

Regards

David

## ***Are you at a loss to know what to do on a Sunday Afternoon?***

We continue to meet on the first Sunday of each month for our Sunday Afternoon Teas. Unfortunately over the past few months we have lost one or two members due to their passing but we also have some new attendees.

Our next meeting will be the first **Sunday of August - the 6th**. Please do join us in St Martins Chapter House at 3:30pm.

If you do have any queries or require transportation please telephone  
Val Thompson on 01691 658756.

Email received from a local man.

Do you agree or disagree?

**Subject:** Stan's Roundabout

*I was under the impression that it was to be made safer, to me it looks worse than it was as car drivers are still going to go across the roundabout rather around it, in fact I have already seen it. They should have had traffic lights with camera's on top to deter drivers.*

*I think as it stands at the moment large lorries coming from Ellesmere to go up the Overton road are going to have to go over kerbs.*

Name given but not to be published.

## **Personal Assistants Can Become Members of Partners in Care**

For less than £1 a week Personal Assistants can now become members of Partners in Care and receive full benefits which include: high quality face-to-face and online training courses at a discounted rate. accurate, relevant, and up to date information service, via phone, email, social media, and web chat, the opportunity to network and work together to share information and ideas locally and gain access to Partners in Care’s disclosure and Barring Service at a discounted rate.

As a member Personal Assistants can attend First Aid, Moving and Handling, Safeguarding Adults Awareness and Professional Boundaries courses and save a total of £126.00 compared to the non-member rate of £254.00.

Partners in Care is a not-for-profit membership organisation representing approximately 260 independent Nursing, Residential, Supported Living and Domiciliary Care providers in Shropshire and Telford & Wrekin who are accessing these services.

David Crosby, Chief Officer, Partners in Care said, “This is a positive move forward in our ability to support and encourage the development of a high-quality social care workforce across Shropshire, Telford and Wrekin. Personal Assistants are a key part of the care sector who support some of the most vulnerable members of our communities. Partners in Care is here to support Personal Assistants and ensure they access the essential training they need to be able to deliver care safely and confidently.”

To find out more about becoming a member of Partners in Care as a Personal Assistant please visit [Personal Assistants \(partnersincare.org.uk\)](http://partnersincare.org.uk) or email [info@partnersincare.org.uk](mailto:info@partnersincare.org.uk)

### **No distance too small.**

If you want to go to a Doctor’s surgery, a hospital appointment, chiropodist, dentist, visit someone in a care home...ring and see how we can help.

## Avenue of Trees

Motorists and walkers travelling along the B5069 between St Martins and Gobowen may have noticed some recent tree planting activity.

Working with Shropshire Councillors Mark Jones and Robert Macey, Selattyn and Gobowen Parish Council has planted 32 small leaved lime trees in an avenue along the verges. The avenue of trees was first put forward by Selattyn and Gobowen Parish Council in 2022 to commemorate HM Queen Elizabeth's Platinum Jubilee.

Small leaved lime trees were selected as a flowering native species that is particularly good for pollinators and we look forward to seeing them flourish over the coming years.

## **Women's Football in Oswestry is on the rise – Natalie Rowley**

I've always played football, from back in the day when there were no girls team, to the present day having played for Wrexham Ladies and now Welshpool Women's team. It really is a joy to see the increasing opportunities girls and women have in North Shropshire to play football and keep active after leaving school. It all goes towards improving and progressing the women's game, and engaging young girls.

Oswestry Boys and Girls Club has a fantastic setup for girls who want to play, with current teams at u11, u13, u14 and they hope to add an u9 team next season, so any girls who want the opportunity to train and play please get in touch at [www.facebook.com/OswestryBoysandGirlsClub](http://www.facebook.com/OswestryBoysandGirlsClub)

**Upcoming Women's fixtures in across Oswestry, please go along to support.**

# Dog Fouling

A number of concerns have been raised at recent meeting regarding members of the public allowing their dogs to foul in public spaces and not clearing it up.

The below is an extract from the Shropshire council website:

***Dog owners are required by law to clean up after their dog; failure to do so can result in a fixed penalty notice being issued or possible prosecution. Dog waste should be disposed of in the appropriate manner, either by using our dog or litter bins or by taking it home and disposing of it in your black refuse bin.***

Please use the below link for further information or to report dog fouling to the council.

[Dog fouling | Shropshire Council](#)

For any crime prevention advice please feel free to get in contact with your local police team and please report anything suspicious to the police on 101.

## FRIENDS OF IFTON MEADOWS

I hope everyone has enjoyed the perfusion of spring flowers in The Dingle. First, the snowdrops covering large areas and showing off their beauty, soon to be followed by blue bells and wild garlic (not my favourite I find the smell overwhelming plus it seems to be pushing out the other spring flowers). We will also look in the dingle for the many other smaller flowers which can be overlooked.

At the top of the Dingle, you will have seen a number of Birch trees being cleared. This is to stop them spreading their seeds onto the Skylark mound.

In their place we are planting several types of native species trees. Clearing this area will also allow other small plants, such as primroses etc., which have been hiding under these large overpowering trees.

The Butterfly Survey will soon be starting again. We have been surveying our site for several years. If anyone would like to get involved in other sites, please get in touch with Lee Fraser – Shropshire Countryside Ranger on 01743 255956. Surveys are carried out weekly during the season at a time suitable to the volunteer.

You may have seen tree contractors on site working for Scottish Power Energy. They are cutting back tree growth to maintain a safe clearance from overhead conductors.

Shropshire Moth Group will be holding several survey evenings on 10<sup>th</sup> May at 20.00 hrs, 21<sup>st</sup> June at 20:45 and 2<sup>nd</sup> August at 20:00 - all meetings at the main entrance car park.

Lastly, I would like to thank everyone who puts their pictures of the meadows on our Facebook Page. If you would like to see these pictures, make a request to our Friends of Ifton Meadows Facebook page. Full details of both the tree cutting or Moth evenings can be found on our Facebook page.

## **Friends of Parkies**

### **Your Community Needs You!**

I don't know how you are remembering dates of birthdays and anniversaries, but I am pretty useless, so it's just as well that my other half can put me to shame remembering not only dates, but down to the fine details of where parties were held and who attended in the past. However, the 10<sup>th</sup> anniversary of Friends of Parkies, the local support group for sufferers of the condition and their carers, will be in May.

When the charity was founded, back then I had no perception that it would grow to over 70 members as is currently the case. We meet on the second Wednesday of each month at the Village Centre here in St Martins from 11am till 1pm and have a very varied range of guest speakers and activities. Last year we formed a choir from the group and with the help of our sponsor Kronospan, and our musical director David Bird, we went into the recording studio in early December; the results of which you can view on our website at [friendsofparkies.co.uk](http://friendsofparkies.co.uk). If you would simply like to come along one month to a singing practice, you don't have to have Parkinsons to qualify, you simply have to sing the right notes in the right order. Give me a call on 778168.

As you are aware, Parkinsons is a debilitating condition with no cure currently available so that gives us an issue in trying to secure the future of the group, as the committee is currently only made up of diagnosed individuals and we are urgently seeking volunteers who are Parkinsons-free to take the group forward. It will involve about 4 to 6 hours per month.

Because a lot of the symptoms of Parkinsons and the side effects of the medication subscribed to control it are very visible, it can take the confidence of a sufferer away and they don't feel comfortable in public, can become house-bound and depressed. The last thing any of us want to be doing is taking more tablets. So if you know of a neighbour or a friend of a friend who is affected by this condition please call them and set up a line of communication and make a difference to someone's life.

Phil Bowen.
